## Chap 1

# The Sustainment Warfighting Function

- I. The Sustainment Warfighting Function (WFF) .....1-1**
  - The Sustainment Operational Concept.....1-1
  - I. The Sustainment Warfighting Function (WFF) Overview .....1-2
  - II. Principles of Sustainment .....1-4
  - III. Changes & New Concepts: FM 4-0 .....1-6
  - IV. Joint Sustainment and the Army Sustainment Warfighting Function .....1-8
- II. Sustainment Roles & Responsibilities .....1-9**
  - I. Joint Interdependence .....1-9
  - II. Title 10 Responsibility .....1-10
  - III. Strategic Level Providers.....1-12
  - IV. Generating Force.....1-13
    - Generating Force Overview .....1-14
    - USAMC Subordinate Commands .....1-16
  - V. The Operating Force.....1-17
    - A. Army Service Component Command (ASCC)/Theater Army (TA).....1-17
    - B. Corps .....1-17
    - C. Division .....1-17
    - D. Brigade Combat Team (BCT) .....1-17
    - E. Operating Force Sustainment Organizations.....1-19
  - VI. Interagency Coordination .....1-20
  - VII. Multinational Sustainment Operations.....1-20
    - Alliance.....1-20
    - Coalition .....1-20
    - Multinational Logistics Options.....1-21
      - A. NATO Logistics Options.....1-22
      - B. Other Sustainment Options.....1-22
      - C. Acquisition Cross-Servicing Agreement.....1-22
- III. Sustainment Command & Control (C2) .....1-23**
  - Battle Command and Sustainment .....1-24
  - I. Understand .....1-24
    - Sustainment Information Systems .....1-26
  - II. Visualize .....1-28
    - The Factors of METT-TC .....1-30
  - III. Describe.....1-29
    - Sustainment Staffs .....1-32
  - IV. Direct .....1-34
- IV. Integrating Sustainment into Operations.....1-35**
  - I. Planning the Sustainment of Operations .....1-36
  - II. Preparing for Sustainment of Operations .....1-36
    - A. Negotiations and Agreements.....1-36
    - B. Theater Opening (TO).....1-36

C. Operational Contract Support.....	1-37
D. Army Pre-Positioned Stocks (APS).....	1-38
E. Joint Deployment Distribution Operations Center (JDDOC).....	1-39
F. Port Opening .....	1-39
G. Warehouse and Billeting and Other Support .....	1-39
H. Medical Logistics Support.....	1-40
I. Rehearsals and Training .....	1-40
III. Executing Sustainment Operations .....	1-40
A. Strategic and Operational Reach and Endurance .....	1-40
B. Basing .....	1-41
C. Distribution.....	1-42
D. Force Projection.....	1-44
E. In-Theater Reconstitution.....	1-44
F. Internment/Resettlement (I/R) Operations.....	1-44
IV. Assessing the Sustainment of Operations .....	1-44
<b>V. Sustainment: Logistics Sub-Function.....</b>	<b>1-45</b>
I. Supply Operations .....	1-46
Classes of Supply.....	1-47
A. Tactical-Level Supplies .....	1-46
B. Operational-Level Supplies.....	1-46
C. Strategic-Level Supplies.....	1-46
D. Ammunition Support .....	1-46
II. Field Services .....	1-48
A. Shower and Laundry.....	1-48
B. Food Preparation .....	1-48
C. Water Production and Distribution .....	1-48
D. Clothing and Light Textile Repair .....	1-49
E. Aerial Delivery .....	1-49
F. Mortuary Affairs (MA).....	1-50
III. Transportation.....	1-51
A. Movement Control.....	1-51
B. Mode Operations .....	1-52
C. Terminal Operations.....	1-53
D. Container Management .....	1-54
IV. Maintenance .....	1-55
A. Field Maintenance.....	1-55
B. Sustainment Maintenance .....	1-56
V. Distribution.....	1-56
VI. Operational Contract Support.....	1-56
VII. General Engineering Support.....	1-56
<b>VI. Sustainment: Personnel Services Sub-Function .....</b>	<b>1-59</b>
I. Human Resources Support (HRS) .....	1-59
A. Manning the Force .....	1-60
B. Provide HR Services.....	1-61
II. Financial Management (FM).....	1-62
A. Finance Operations.....	1-62
B. Resource Management (RM) Support.....	1-64
III. Legal Support .....	1-64
IV. Religious Support .....	1-66
V. Band Support.....	1-68
<b>VII. Sustainment: Health Services Support (HSS) Sub-Function ....</b>	<b>1-69</b>
I. Army Health System (AHS) Support.....	1-69
II. Combat Health Logistics (CHL) .....	1-71
III. Levels of Medical Care .....	1-72

# Sustainment Brigade Operations

<b>I. Sustainment Brigade Operations.....</b>	<b>2-1</b>
I. Theater Operational Environment.....	2-1
A. Changes in the Operational Environment.....	2-1
B. Theater of Operations.....	2-1
C. Designation of the Area of Operations.....	2-2
II. Command and Support Relationships.....	2-2
A. Command Relationships.....	2-2
B. Support Relationships.....	2-4
III. Strategic Level Support Organizations.....	2-6
A. US Transportation Command (USTRANSCOM).....	2-6
B. Defense Logistics Agency (DLA).....	2-7
IV. Support of Military, Civilian, Joint, and Multinational Organizations.....	2-8
Role in Support of Joint and/or Multinational Operations.....	2-9
Role in Planning & Managing Operational Contract Support.....	2-10
A. Interagency Support.....	2-8
B. Host Nation Support (HNS).....	2-12
C. Multinational Support.....	2-12
<b>II. Sustainment Brigade Mission &amp; Tasks.....</b>	<b>2-13</b>
Sustainment Brigade Operational Capabilities.....	2-14
I. Sustainment Mission.....	2-16
- The Sustainment Warfighting Function.....	2-16
- Replenishment Operations.....	2-17
II. Theater Opening (TO) Mission.....	2-19
- Transportation Theater Opening Element (TTOE).....	2-21
III. Theater Distribution (TD) Mission.....	2-22
- Distribution and Materiel Management.....	2-24
Operational Distances.....	2-26
<b>III. Organization and Support to the Warfighter.....</b>	<b>2-27</b>
I. Sustainment Brigade Organizational Options.....	2-27
II. The Combat Sustainment Support Battalion (CSSB).....	2-28
III. Support to the Warfighter - The Sustainment Warfighting Function.....	2-30
<b>IV. Logistics Support to the Warfighter.....</b>	<b>2-31</b>
I. Maintenance.....	2-31
A. Replace Forward/Fix Rear.....	2-31
B. Aviation Maintenance.....	2-33
C. Battle Damage and Repair (BDAR).....	2-34
II. Supply.....	2-35
A. Class I, Food and Field Feeding.....	2-35
B. Water Production and Distribution.....	2-35
C. General Supplies (Class II, III (P), IV).....	2-38
D. Class III (B).....	2-39
- Theater Level Petroleum Operations.....	2-41
E. Class V, Ammunition Support.....	2-42
- Class V Control Procedures.....	2-43
F. Class VI.....	2-46
G. Class VII (Major End Items).....	2-46
H. Class IX (Repair Parts).....	2-47

III. Field Services .....	2-50
A. Mortuary Affairs (MA) .....	2-50
B. Shower and Laundry Services .....	2-50
IV. Transportation .....	2-52
A. Movement Control .....	2-52
B. Motor Transport Planning .....	2-52
C. Container Management .....	2-52
D. Aerial Delivery .....	2-56
E. Transportation Units .....	2-57
- Convoy Support Centers (CSC) .....	2-58
E. Movement Control Battalion (MCB) .....	2-60
- Movement Control Teams (MCTs) .....	2-60
V. Distribution .....	2-61
- Centralized Receiving and Shipping Point .....	2-62
VI. Operational Contract Support .....	2-61
VII. General Engineering Support .....	2-61
<b>V. Personnel Services Support to the Warfighter .....</b>	<b>2-63</b>
I. Human Resources (HR) Support .....	2-63
II. Financial Management (FM) Operations .....	2-65
III. Legal Support .....	2-66
IV. Religious Support .....	2-66
V. Band Support .....	2-66
<b>VI. Health Services Support (HSS) to the Warfighter .....</b>	<b>2-67</b>
Army Health System (AHS) Support .....	2-67
A. The Sustainment Brigade Surgeon .....	2-68
B. Medical Brigade (Med Bde) .....	2-70
C. Medical Reporting .....	2-70
<b>VII. Theater/Expeditionary Sustainment Commands (TSC/ESC) ....</b>	<b>2-71</b>
I. Theater Sustainment Command (TSC) .....	2-72
A. TSC Command Relationships .....	2-73
B. TSC Operational-Level Support .....	2-74
C. TSC Support Operations .....	2-76
D. TSC Role in Force Protection .....	2-76
E. TSC Role in Distribution Management .....	2-77
II. Expeditionary Sustainment Command (ESC) .....	2-78
<b>VIII. Protection Considerations .....</b>	<b>2-79</b>
I. Responsibilities of the Sustainment Brigade .....	2-79
A. The Threat .....	2-79
- Levels of Threat (Levels I-III) .....	2-79
B. Combat Action .....	2-80
II. Fire Support Considerations .....	2-80
III. Protective Measures .....	2-81
IV. Bases and Base Clusters .....	2-82
V. Convoy Security .....	2-84
A. Movement Corridors .....	2-84
B. Main Supply Routes (MSRs)/Alternate Supply Routes (ASRs) .....	2-85
C. Danger Areas .....	2-86
D. Battle Drills .....	2-86
E. Improvised Explosive Devices (IEDs) and Vehicle Borne IEDs .....	2-86
VI. CBRN Defense .....	2-88
A. Protective Equipment .....	2-88
B. CBRN Defense Principles .....	2-88
C. Sustainment Operational Considerations - CBRN .....	2-90
VII. Risk Management .....	2-92

# **Brigade Combat Team (BCT) Sustainment**

<b>I. Brigade Combat Team (BCT) Sustainment Operations .....</b>	<b>3-1</b>
I. Brigade Combat Team (BCT) Sustainment .....	3-1
The Brigade Support Battalion (BSB).....	3-1
Sustainment Brigades .....	3-1
Combat Sustainment Support Battalions (CSSB) .....	3-1
II. Sustainment Reach Operations.....	3-2
<b>II. Brigade Support Battalion (BSB)/BSA .....</b>	<b>3-3</b>
I. Brigade Support Area (BSA).....	3-3
II. Brigade Support Battalion (BSB) HHC .....	3-4
- Headquarters .....	3-4
- Command Section.....	3-5
- Battalion Commander .....	3-5
III. Field Maintenance Company (FMC).....	3-6
- Base Maintenance Operations.....	3-6
- Field Maintenance.....	3-7
- Replace Forward/Repair Rear .....	3-7
- Controlled Exchange.....	3-7
- Cannibalization.....	3-7
- Battle Damage Assessment and Repair (BDAR).....	3-7
IV. Distribution Company .....	3-8
- Distribution Operations.....	3-8
- Support Methods .....	3-9
V. Brigade Support Medical Company (BSMC).....	3-10
<b>III. Brigade Combat Team (BCT) Concept of Support .....</b>	<b>3-11</b>
I. Mission Tailoring of Sustainment Assets.....	3-12
- Logistical Support Teams (LSTs).....	3-12
- Combat Repair Teams (CRTs) .....	3-12
- Support to Separate Companies.....	3-12
- Support for Attachments.....	3-13
- Mission Staging Operations .....	3-13
II. Sustainment Support Areas .....	3-14
A. Trains .....	3-15
- Company Trains .....	3-15
- Battalion Trains .....	3-15
B. Sustainment-Related Command Posts (CPs).....	3-15
- Combat Trains Command Post (CTCP).....	3-15
- Field Trains Command Post (FTCP).....	3-15
C. Brigade Support Area (BSA).....	3-15
III. Support Area Considerations.....	3-16
- Locations for Support Areas.....	3-16
- Security of Support Areas .....	3-16
- Supply Routes.....	3-17
IV. Sustainment Reporting .....	3-18
- Company Level .....	3-18
- Battalion Level.....	3-18
- Brigade Level .....	3-18
- Division/Corps Level .....	3-18

# Sustainment Planning

<b>I. Planning Sustainment Operations</b> .....	<b>4-1</b>
I. Sustainment Preparation of the Operational Environment .....	4-1
II. Planning Considerations in Full Spectrum Operations .....	4-3
A. Offensive Operations .....	4-3
B. Defensive Operations .....	4-6
C. Stability Operations.....	4-7
D. Civil Support Operations.....	4-8
<b>II. Logistics Preparation of the Battlefield (LPB)</b> .....	<b>4-9</b>
I. Intelligence in Support of Logistics .....	4-9
II. Relevant Logistics Information.....	4-10
III. General Information Sources.....	4-11
Logistics Preparation of the Battlefield Overview .....	4-12
Operations Logistics Planner (OPLOG Planner) .....	4-14
<b>III. The Military Decision Making Process (MDMP)</b> .....	<b>4-15</b>
MDMP - Sustainment Considerations.....	4-16
I. Mission Analysis .....	4-16
II. COA Development.....	4-16
III. COA Comparison .....	4-17
IV. Orders Production .....	4-17
MDMP: A Sustainment Planner's Perspective.....	4-18
<b>IV. Running Estimates and Mission Analysis</b> .....	<b>4-19</b>
<b>(Logistics/Personnel Estimates)</b>	
Running Estimates.....	4-19
Mission Analysis .....	4-19
- Mission Analysis Considerations.....	4-20
I. The Logistics Estimate.....	4-22
II. The Personnel Estimate .....	4-24
III. Casualty Estimation.....	4-26
<b>V. The Concept of Support (para. 4a)</b> .....	<b>4-27</b>
I. Developing the Sustainment Concept .....	4-27
- Concept of Support (Format and Briefing) .....	4-29
- BCT Sustainment Planning (The BCT S-4).....	4-30
II. The Sustainment Overlay .....	4-27
III. The Sustainment Matrix.....	4-28
<b>VI. Health Service Support (HSS) Considerations</b> .....	<b>4-31</b>
I. HSS Planning Considerations for Joint Operations .....	4-32
II. HSS Planning Considerations for Multinational Operations .....	4-34
III. Special Medical Augmentation Response Teams (SMARTs) .....	4-36

# Joint Logistics

<b>I. Joint Logistics Overview .....</b>	<b>5-1</b>
I. Sustainment as a Joint Function .....	5-1
II. Joint Logistics .....	5-1
III. The Joint Logistics Environment (JLE) .....	5-2
- Levels of War .....	5-2
- Integrating Functions .....	5-3
IV. Joint Logistics Imperatives .....	5-5
<b>II. Core Logistics Capabilities .....</b>	<b>5-5</b>
<b>III. Planning Joint Logistics .....</b>	<b>5-7</b>
I. Planning Functions .....	5-7
A. Strategic Guidance .....	5-7
B. Concept Development .....	5-7
C. Plan Development .....	5-8
D. Assessment .....	5-8
II. Principles of Logistics .....	5-9
III. Support Plan Development .....	5-10
A. Transportation Feasibility .....	5-10
B. Logistics Supportability Analysis (LSA) .....	5-10
C. Logistics Synchronization Matrix .....	5-11
IV. Joint Logistic Planning Considerations .....	5-12
- Organizing for Joint Logistic Planning .....	5-12
- Demands of the Expanding Force .....	5-12
<b>IV. Executing Joint Logistics .....</b>	<b>5-13</b>
I. Joint Logistic Execution .....	5-13
A. Military Engagement, Security Cooperation, and Deterrence .....	5-13
B. Crisis Response and Limited Contingency Operations .....	5-14
C. Major Operations or Campaigns .....	5-14
D. Concluding Joint Logistic Operations .....	5-14
II. Framework for Joint Logistics .....	5-15
III. Joint Logistic Boards, Offices, Centers, Cells, and Groups .....	5-16
<b>V. Controlling Joint Logistics .....</b>	<b>5-17</b>
I. Authorities and Responsibilities .....	5-17
II. Logistics Directorate, J-4 .....	5-19
III. Logistics Execution Organizations .....	5-20
A. Service Logistic Control Structures .....	5-20
B. USTRANSCOM .....	5-20
C. USJFCOM .....	5-20
D. Defense Logistics Agency (DLA) .....	5-20
E. Defense Contract Management Agency (DCMA) .....	5-21
F. Defense Security Cooperation Agency (DSCA) .....	5-21
IV. Technology .....	5-21
V. Multinational and Interagency Agreements .....	5-24

# Deployment & Redeployment Operations

<b>I. Deployment Operations Overview .....</b>	<b>6-1</b>
Force Projection.....	6-3
I. Deployment Planning.....	6-2
II. Deployment Phases.....	6-4
III. Deployment Principles.....	6-6
IV. Army Force Generation (ARFORGEN).....	6-7
Hazardous, Classified, and Protected Sensitive Cargo .....	6-8
<b>II. Predeployment Operations.....</b>	<b>6-9</b>
I. Planning.....	6-9
A. Deployment Planning.....	6-9
B. Movement Planning .....	6-10
- Unit Movement Dates.....	6-11
- Developing a Deployment Movement Plan.....	6-12
II. Preparation for Movement .....	6-14
III. Training.....	6-16
IV. Installation Support.....	6-16
- Installation Deployment Processing Site.....	6-19
- Deployment Movement Plans (JOPES/TPFDD/TC-AIMS II).....	6-20
<b>III. Fort-to-Port.....</b>	<b>6-21</b>
I. Notification.....	6-21
A. Initial Notification and Warning Order Activities .....	6-21
B. Alert Order Activities.....	6-21
II. Movement to the Port of Embarkation (POE).....	6-23
III. Movement to the Port of Debarkation (POD).....	6-23
IV. Seaport of Embarkation (SPOE).....	6-24
- SPOE Responsibilities .....	6-28
V. Aerial Port of Embarkation (APOE).....	6-26
<b>IV. Reception, Staging, Onward Movement, Integration (RSOI) ....</b>	<b>6-29</b>
Principles of RSOI .....	6-31
RSOI Port Selection (APOD/SPOD).....	6-33
I. Reception.....	6-34
II. Staging.....	6-35
- Theater Staging Base (TSB) Functions .....	6-36
III. Onward Movement .....	6-38
IV. Integration.....	6-39
<b>V. Redeployment.....</b>	<b>6-41</b>
I. Redeployment Preparation Activities .....	6-41
II. Movement to and Activities at the POE .....	6-42
III. Movement to Home or Demobilization Station .....	6-44

## Index

Index ..... Index-1 to Index-4
